Ripple Weave

3D Printed Lighting Fixture
ulys.

# ASSEMBLY GUIDE

1. Insert Bulb

Screw in the provided smart lightbulb, or an equivalent E26 or E27 LED bulb (max 9W).

⚠ Only use certified LED bulbs. Do not exceed 9W. Not compatible with incandescent or halogen bulbs.
2. Insert Diffuser

Place the white diffuser over the lightbulb and insert it into the corresponding slot in the stand
3. Place the Lampshade

Align the lampshade with the diffuser and slide it down onto the stand, making sure the knobs remain visible.

4. Plug In & Use

Plug into a standard outlet and use the inline switch to turn on. Follow the smart lightbulb set up instructions provided with the lightbulb.

USE & SAFETY

Safe Use Guidelines

- ☑ For indoor use only
- ☑ Use only LED bulbs (E26/E27, max 9W)
- ☑ Keep away from water and moisture
- ☑ Ensure airflow around the lamp
- ☑ Unplug before changing the bulb or cleaning

- ✘ Do not use near flammable materials
- ✘ Do not expose to heat sources
- ✘ Not a toy – not intended for children

This lamp is designed for ambient decorative lighting in dry indoor environments. Always use under adult supervision.

TECHNICAL & COMPLIANCE
